Dear Taxpayer:

You are not required to file Form 940. Federal, state, and local government agencies are exempt from federal unemployment tax. Please destroy any Form 940 returns you may have received. Do not make tax deposits for federal unemployment tax.

Even though you are not liable for the federal tax, you could be liable for the state tax. States establish and operate their own systems. Therefore, you should contact your state to find out whether you are required to make contributions under the state unemployment compensation law.

If you do not owe any other taxes, we will refund the money you paid with your return or by federal tax deposit in six to eight weeks.

If you need forms, schedules or publications to respond to this letter, you can obtain them by visiting the IRS website at www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

Notice 1462 (en-sp)

Important! You Have More Time to File and Pay Your Taxes Due to a Disaster

The Federal Emergency Management Agency (FEMA) issued a disaster declaration for your area. This means the IRS has automatically granted you disaster relief which includes a **postponement of the deadline for you to file your return and make your payment**. This means you have additional time to pay beyond the due date listed on any other notice in this mailing.

Please note: You do not need to contact us to get this extra time to pay; it is automatic.

To determine your filing and payment due date, scan the code below or visit [IRS.gov/DisasterTaxRelief](https://www.irs.gov/DisasterTaxRelief) to locate your specific state and county by disaster area. Remember to **pay the amount you owe by the extended due date, to avoid paying additional penalties and interest.**

Scan here to find your extended payment due date based on your disaster area.

For disaster questions, please call the IRS Disaster Hotline at 866-562-5227.
