Pacific Western Bank is proud to offer Fallbrook Regional Health District a premium Earnings Credit Rate ("ECR") of 75 basis points (0.75%). The ECR is a monthly credit calculated on your account analysis average monthly deposit balance and can be applied towards all bank fees and many third party cash management services. We provided you with a tentative pricing comparison Account Analysis Summary in Exhibit A illustrating the \$2174.88 Annual Benefit for banking with Pacific Western Bank. Small Business Checking

Designed with the small business in mind, our Small Business Checking is the perfect account for businesses with basic banking needs. Plus, with online banking and bill pay, enjoy the convenience and efficiency of managing your accounts whenever and wherever you want.

Small Business Interest Checking

Developed for sole proprietors as well as local and community based non-profit organizations with moderate transaction volumes. Not only do you earn interest on your checking account balance, but we bring 24x7 banking to your fingertips with online banking and bill pay.

Business Checking

Our Business Checking is the everyday banking solution for growing businesses. This account comes with a generous allowance of check and deposit transactions along with coin and currency deposits.

Business Analysis Checking

Designed for businesses with high volume activity, this account will give you a comprehensive look at your account activity each month. This account's per-item pricing means you pay only for the additional services you actually use and our competitive earnings credit may reduce or offset the monthly account maintenance fee and certain transaction fees.

Attorney Client Trust Accounts (IOLTA)

Our account lets you hold your client funds in an interest-bearing account with the earnings sent automatically to the California State Bar, which means less bookkeeping and more convenience for you. And with the interest going to support legal aid and our justice system, everyone benefits in the end.

Savings and Retirement Plans

Maintaining liquidity without sacrificing return is a key element in maximizing business profitability. Pacific Western Bank assists companies with both short and long-term management of excess cash through a variety of savings and investment options. Additionally, our Retirement Plans can help you understand the best way to save for and realize the retirement you envisioned.

Business Money Market and High Yield Money Market

Put your money to work when you need quick, convenient access to your funds while earning premium money market rates. Higher balances earn higher rates so your account can grow even faster. Account is limited to 6 pre-authorized or automatic transfers, checks or drafts or a combination thereof, during the statement cycle.

Certificate of Deposit (CD)

Safe and secure, our CDs are a convenient savings option for business owners. With a wide variety of terms and tiered interest rates, you can choose an option that is perfectly suited to the needs of your business. CDs are subject to penalties if principal is withdrawn before maturity date.

Business Savings

Earning your money takes work but helping it grow doesn't have to. Start saving today and give your company a strong foundation to build on.

Simplified Pension Plan

Simplified Employee Pension (SEP) plans can provide a significant source of income at retirement by allowing employers to set aside money in retirement accounts for themselves and their employees. SEP Plans are designed for business owners who want a simple, easy-to-administer, low-cost plan with no complicated tax filings.

Our experienced and knowledgeable team of lending professionals will work with you to achieve the financial stability you desire.

Revolving Lines of Credit

A revolving line of credit gives your business the advantage of ready access to capital. It can be used to finance short-term working capital needs like inventory purchases, or to capitalize on business opportunities where time is of the essence. A revolving line can also support your treasury management program: it reduces the need to liquidate investments in order to free up capital.

Accounts Receivable Financing

Your business can accelerate its cash flow with an accounts receivable line. Eligible receivables support advances for inventory purchases, vendor payments, and other short-term working capital needs. The support provided by your eligible receivables allows ongoing borrowing -- a benefit to businesses experiencing growth, little to no seasonality, or more limited liquidity.

Equipment Financing and Leasing

Adding or upgrading equipment can make your business more efficient, more productive, and more competitive. Our leasing programs spread the cost of new equipment over a longer term, helping to preserve valuable capital for current uses. We have designed equipment financing solutions for customers in numerous industries.

Working Capital Financing

Having the right forms of capital is critical to long-term growth. Our working capital loans provide financing for purposes such as business acquisitions, business expansion, and buyouts. We understand that opportunities won't wait, and we're committed to providing intelligent solutions, quickly.

Letters of Credit

Are you importing or exporting goods? Do you need to provide a financial assurance to a party under a long-term project or contract?

Put our creditworthiness to work for you. Commercial letters of credit can help you secure better terms and reduce certain risks of importing and exporting goods. Standby letters of credit give beneficiaries the comfort that your business has the resources to complete a project or meet other obligations.

Real Estate Loans and Services

If you're thinking about purchasing, improving, or refinancing your owner-occupied commercial property, we can help you identify the right solution. Our lending professionals are very familiar with market trends and financing options for owner-users.

Small Business Administration Loans

Pacific Western Bank is committed to providing our small business customers with the loans and services they need to successfully grow and manage their businesses.

Additionally, our designation as a **Preferred Lender** by the United States Small Business Administration means there is less paperwork required to process your loan. (Subject to credit underwriting and/or evaluation.)

Terms and Uses: SBA Loans offer longer repayment terms and lower rates than conventional loan programs. Business owners benefit from smaller payment amounts and less stress on operating cash flow. Pacific Western Bank's SBA Loans can be used to enhance your business in a variety of ways:

- » Business acquisition
- » General business expansion
- » Real estate acquisition
- » Leasehold improvements
- » Machinery and equipment acquisition
- » Working capital

Accounts Receivable Financing and Factoring

Through our division CapitalSource, Pacific Western Bank also provides working capital financing to growing companies located throughout the United States. Our flexible financing programs enable your company to fund sales growth, reduce debt, improve vendor relations and comfortably meet cash flow requirements.

Accounts Receivable Financing

Using accounts receivable as collateral, clients can assign and borrow against all eligible outstanding receivables.

Inventory Financing

Along with accounts receivable financing, clients can obtain financing against specific types of inventory including raw materials, work in progress, and finished goods for seasonal inventory builds.

Equipment Financing

In addition to accounts receivable financing and inventory lines of credit, clients can obtain capital equipment or a capital expenditure line to purchase additional capital equipment.

Technology Financing

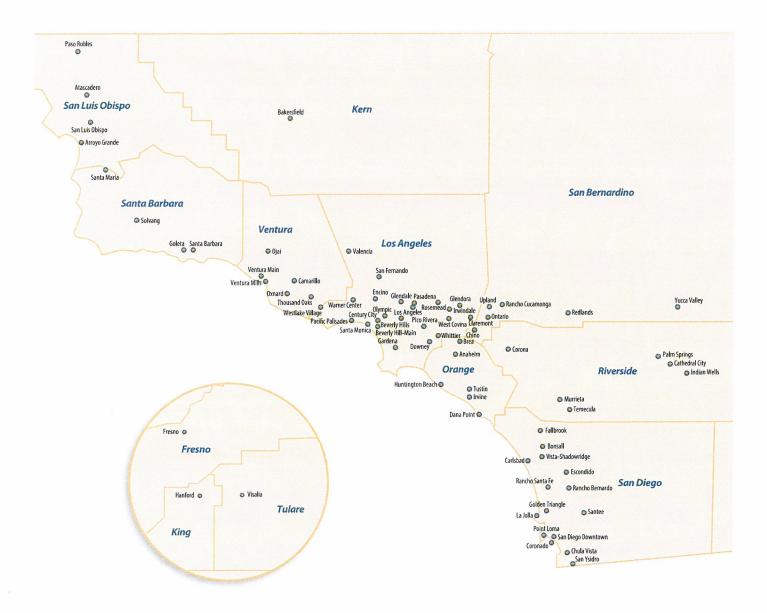

Designed specifically for emerging technology companies that may lack sufficient operating results, our technology finance loans allow companies to obtain growth financing with limited to no equity dilution.

Terms and Conditions: Financing subject to credit and any applicable collateral approval. Additional terms, conditions and restrictions may apply. Terms and conditions subject to change. Please contact one of our banking services representatives for a complete explanation of our services.

Review Lease with MedPlus Urgent Care

COMMERCIAL LEASE OF PREMISES BETWEEN FALLBROOK REGIONAL HEALTH DISTRICT AND MEDPLUS

(617 Alvarado St., Fallbrook, CA 92028)

ARTICLE 1. PARTIES

ARTICLE 2. LEASED PREMISES

- **2.01 Description.** Landlord leases to Tenant, and Tenant hires from Landlord, for the term, at the rental, and upon the conditions in this Lease, the building (including all adjacent pylons, monuments, and signage), office space, and immediately adjacent parking lot area consisting of _____ spaces, located at 617 Alvarado Street, Fallbrook, California, 92028, consisting of approximately 2,400 sq.ft. of the northerly portion of the building (hereinafter the "Premises"). Attached as Exhibit "B" is a diagram and drawing depicting the Premises.
- A. <u>Personal Property</u>. In addition to the Premises, Landlord also leases to Tenant, for the term of this Lease, the items of personal property listed on Exhibit "A" herein.
- B. <u>Exemption from Premises</u>. As shown on Exhibit "B," a portion of the building at 617 Alvarado Street is specifically exempted from the Premises, as that portion of the building has been placed under containment, and the parties are aware that this portion of the building has been determined to have experienced water intrusion ("the Exempt Portion."). The parties have inspected the Exempt Portion prior to the Commencement Date of this Lease, and the parties agree that this Exempt Portion will be the subject of a remediation or demolition project to be undertaken by Landlord at a future date. Said remediation or demolition project will not result in any abatement of rent for Tenant.

ARTICLE 3. TERM OF LEASE

3.01 <u>Term of Months</u>. The term of the Lease shall be for a period of _____ (__) calendar months commencing on later than January 1, 2019, and ending no later than _____, 20____.

3.02 Commencement of Term.

- A. <u>Definition</u>. The term Commencement Date, as used in this Lease, shall be construed to mean the ____ day of ______, 2019, as agreed upon by Landlord and Tenant.
- **3.03** Holding Over. Holding over after the expiration of the term of this Lease, or any oral extension thereof, with the consent of Landlord, shall be a tenancy from month to month for a period not to exceed 90 days, and the rentals and additional rentals upon the covenants, conditions, limitations, and agreements are subject to the exceptions and reservations contained in this Lease.

ARTICLE 4. RENT

4.01 Rental Payment. Tenant agrees to and shall pay to Landlord at Fallbrook, California, or at such other place as Landlord shall from time to time in writing designate, as minimum annual rental for the Premises, the total sum of Fifty-Seven Thousand Six Hundred Dollars (\$57,600), payable in advance in the amount of \$4,800 per month, on or before the tenth (10th) day of each month of the foregoing term.

ARTICLE 5. UTILITIES AND TAXES

5.01 <u>Utilities and Maintenance.</u> Tenant shall pay for all gas, heat, light, power, telephone service, internet connectivity and service, water and wastewater service, janitorial services, and any and all other utilities serving the Premises.

ARTICLE 6. USE AND OCCUPANCY

- **6.01** <u>Use.</u> Tenant shall use the Premises solely for the purpose of the business of an extended hours (to include weekday evenings and weekend hours) urgent care clinic and ancillary services therein, and for no other purpose whatsoever without the prior written consent of the Landlord.
 - **6.02 Restrictions on Tenant's Use.** Tenant agrees, in using the Premises:
- A. <u>Waste</u>. Not to commit any waste or suffer any waste to be committed upon the Premises.
- B. <u>Nuisance</u>. Not to commit any public or private nuisance or any other act or thing that might or would disturb the quiet enjoyment of any other tenant of the leased premises or any occupancy of nearby property.
- C. <u>Insurance Risks</u>. Not to keep, use, sell or offer for sale on the Premise any article, or conduct any activity thereon, which may be prohibited by the standard form of fire insurance policy, and, if Tenant does keep, use, sell or offer for sale any such article, or if any acts are performed on the Premise by Tenant which increase the rate of fire insurance premiums attributable thereto on demand.

ARTICLE 7. ALTERATIONS, REPAIRS, RESTORATION

- **7.01** Consent of Landlord to Alterations. Tenant shall make no installations, additions or improvements in or to the Premises, except as otherwise authorized in this Lease, or structural alterations or changes either to the interior or exterior of the building on the Premises, or in the bearing walls, supports, beam or foundations without the written consent of the Landlord.
- **7.02** Tenant to Pay Alteration Cost. All installations, additional, or improvements, and alterations and changes made, with the consent of the Landlord, after Tenant occupies the Premises, shall be made at the sole cost and expense of Tenant.
- 7.03 <u>Alterations Required by Law</u>. If, during the term of this Lease, any additions, alterations or improvements in or to the Premises, as distinguished from repairs, are required by

governmental regulations because of the use to which the Premises are put by Tenant and not by reason of the character or structure of the building, they shall be made and paid for by Tenant.

- 7.04 <u>Surrender or Removal of Improvements</u>. All alterations, additions or improvements which are made in or to the Premises shall be the property of Landlord upon the termination of this Lease, unless prior to such termination Landlord gives Tenant written notice to remove some or all thereof, in which case Tenant shall cause the items so designated to be removed and the Premises to be restored to their condition at the commencement of Tenant's Lease, normal wear and tear excepted, all at the expense of the Tenant.
- Maintenance and Repairs. Landlord agrees during the term hereof to keep and maintain at Landlord's expense the Premises and every part thereof in and about the Premises in good order, condition, and repair, including, without limiting the foregoing, all fixtures in existence or in place at the time of the commencement of this Lease, interior walls, floors, ceilings, sides, plumbing, all interior building appliances and similar equipment, windows, doors and plate glass. For purposes of this section, the parties agree that fixtures shall not include any alterations, additions, improvements or changes made pursuant to subparagraphs 7.02 or 7.03, above, nor shall fixtures include any item listed on Exhibit "A" attached hereto.
- 7.06 Mechanic's Liens. Tenant agrees to pay promptly for all labor done or materials furnished for any work of repair, maintenance, improvements, alterations, or additions done by Tenant in connection with the Premises, and to keep and to hold the Premises free, clear, and harmless of and from all liens that could arise by reason of any such work. If any such lien shall at any time be filed against the Premises, Tenant shall either cause the same to be discharged of record within twenty (20) days after the date of filing the same, or if Tenant in its discretion and in good faith, determines that such lien should be contested, Tenant shall furnish such security as may be necessary or required to prevent any foreclosure proceedings against the Premises during the pendency of such contest. If Tenant shall fail to discharge such lien within such period or fails to furnish such security, then, in addition to any other right or remedy, Landlord may, but shall not

be obligated to, discharge the same, either by paying the amount claimed to be due or by procuring the discharge of such lien by deposit in court or by giving security or in such other manner as is or may be prescribed by law. Tenant shall repay to Landlord on demand all sums disbursed or deposited by Landlord in connection therewith. Nothing contained herein shall imply any consent or agreement on the part of the Landlord to subject Landlord's interest in the property, of which the Premises are a part of, to liability under any mechanic's lien law.

- **7.07** Notice of Non-Responsibility. Landlord shall at all times have the right to post and to keep posted on the demised premises such notices provided for under the laws of the State of California for the protection of the Premises from Mechanic's Liens of a similar nature.
- 7.08 Partial Destruction—Repairs by Landlord. Should the building situated upon the Premises and the leasehold improvements be damaged or destroyed by fire, casualty, or hazard, then, if damage is so slight as not to interfere substantially with Tenant's use of the Premises, Tenant shall notify Landlord, who shall immediately, undertake to make repairs to the building and improvements and restore the same to substantially the same condition as they were in immediately preceding such damage or destruction. Such work shall be done as rapidly as conditions permit. In the event such damage is so slight as not to interfere substantially with Tenant's uses of the Premises, there shall be no abatement of rent.
- **7.09** Total or Substantial Destruction—Termination of Lease. Should there be total or substantial destruction and Premises are rendered unusable, either in whole or in part, either party shall have the right to terminate the Lease.
- **7.10** Rebuilding by Landlord. In the event neither party elects to terminate this Lease, Landlord shall, to the extent of available insurance proceeds, repair or rebuild such building and improvements to substantially the same condition that they were in immediately preceding such damage or destruction.

- 7.11 <u>Use of Insurance Proceeds on Termination</u>. Should either party elect to terminate this Lease, the proceeds of insurance on the building and improvements shall be paid over to the Landlord, and such insurance proceeds shall be and become the sole and absolute property of Landlord. Nothing in this paragraph or in Paragraph (F) below shall be construed to require Tenant to pay over to Landlord proceeds of insurance on Tenant's personal property.
- 7.12 <u>Use of Insurance Proceeds to Repair and Rebuild</u>. Should either party elect to terminate this Lease, the proceeds of insurance on the building and improvements shall be paid over to Landlord, and Landlord shall hold the same in trust for the purpose of repairing or rebuilding such buildings and improvements to substantially the same condition that they were in immediately preceding such damage or destruction. In the event after such repair or rebuilding any of such insurance proceeds remains in the hands of Landlord, such balance shall be and become the sole and absolute property of Landlord.
- **7.13** Continuation of Operation. Tenant agrees to continue the operation of its business in the Premises to the extent reasonably practicable from the standpoint of good business and good patient care during any period of reconstruction or repair.

ARTICLE 8. CONDEMNATION

- **8.01** Total Condemnation. If, during the term hereof, there shall be a "total taking" by a public authority under the power of eminent domain, then the leasehold estate of Tenant in the Premises shall cease and terminate as of the date actual physical possession thereof shall be taken. "Total taking" is defined to be the taking of the entire Premises under the power of eminent domain or a taking of so much of the Premises as to prevent or substantially impair the conduct of Tenant's business therein.
- **8.02 Partial Condemnation.** If, during the term thereof, there shall be a "partial taking" of the Premises, this Lease shall terminate as to the portion of the Premises taken upon the date which actual possession of the portion of the Premises is taken pursuant to eminent domain proceedings, but this lease shall continue in force and effect as to the remainder of the Premises.

The rental payable by Tenant for the balance of the term, but not taxes and assessments, shall be abated in the ratio that the square footage of the floor area of the building taken bears to the total floor area of the building at the time of such taking. "Partial taking" is defined to be the taking of only a portion of the Premises under the power to eminent domain which does not constitute a "total taking" as defined in Section 8.01.

- 8.03 Allocation of Award. All compensation and damages awarded for the taking of the Premises or the common facilities, or any portion or portions thereof, shall, except as otherwise herein provided, belong to and be the sole property of Landlord, and Tenant shall not have any claim or be entitled to any award for diminution in value of its leasehold hereunder or for the value of any unexpired term of this Lease; provided, however, Tenant shall be entitled to any award that may be made for the taking of or injury to, or on account or any cost or loss Tenant may sustain in the removal of Tenant's merchandise, fixtures, equipment and furnishings.
- **8.04** Effect of Termination. If this Lease is terminated, in whole or in part, pursuant to any of the provisions of this Article 8, all rentals and other charges payable by Tenant to Landlord hereunder and attributable to the Premises taken, shall be paid up to the date upon which actual physical possession shall be taken by the condemnor, and the parties shall thereupon be released from all further liability in relation thereto.

ARTICLE 9. INDEMNITY AND INSURANCE

- 9.01 No Liability of Landlord for Tenant's Acts. Landlord shall not be liable at any time for any loss, damage or injury to the property or person of any person whomsoever at any time occasioned by or arising out of any act or omission of the Tenant, or of anyone holding under Tenant or the occupancy or use of the Premises or any part thereof or the parking lot by or under the Tenant, or directly or indirectly from any state or condition of the Premises or any part during the term of this Lease.
- **9.02** <u>Indemnification of Landlord</u>. Notwithstanding anything to the contrary in this Lease and irrespective of any insurance carried by Tenant for the benefit of Landlord, Tenant

agrees to protect, indemnify and hold Landlord and the Premises harmless from any and all damages or liabilities of whatsoever nature arising under the terms of this Lease or arising out of or in connection with the operation carried on by Tenant on, or the use or occupancy of, the Premises by Tenant.

- **9.03** Tenant's Insurance. The Tenant shall carry and maintain, during the entire term hereof, at Tenant's sole cost and expense, the following types of coverage in the amount specified and in the form provided for in this section. Landlord shall be named as an additional insured as to all required Insurance coverage under this Section 9.03.
- A. <u>Liability and Property Damage</u>. Broad-form commercial general liability coverage with limits of not less than Five Hundred Thousand Dollars (\$500,000) per person and One Million Dollars (\$1,000,000) each occurrence, insuring against any and all liability of Tenant with respect to the Premises or arising out of the maintenance, use, or occupancy thereof, and property damage liability insurance with a limit of not less than Five Hundred Thousand Dollars (\$500,000) each accident.
- B. <u>Delivery of Policy or Certificate</u>. Tenant shall deliver to Landlord certificates evidencing the coverage procured by Tenant, or deliver in lieu thereof certificates of coverage from the insurance company or organization providing the coverage, which certificates shall, among other things, designate the company writing the same, the number, amount, and provisions thereof. Upon Landlord's written request, duplicate copies of such certificates of insurance shall be delivered at reasonable intervals.
- C. <u>Notice of Cancellation</u>. All coverages shall contain a provision that no coverage shall be canceled or terminated without ten (10) days prior notice from the insurance company to Landlord. Tenant agrees that on or before ten (10) days prior to expiration of any insurance coverage, Tenant will deliver to Landlord written notification in the form of a receipt or other similar document from the applicable insurance company or organization that said policy or

coverages have been renewed, or delivered certificates of coverage from another good and solvent insurance company or other entity for such coverage.

D. <u>Waiver of Subrogation Rights</u>. Tenant shall procure an appropriate clause in, or an endorsement on, any policy of fire or extended coverage insurance covering the personal property, fixtures and equipment located in or on the Premises, pursuant to which the insurance companies waive subrogation or consent to a waiver of right of recovery against Landlord, and Tenant does hereby agree that it shall not make any claim against or seek to recover from Landlord any loss or damage to its property or the property of others, resulting from fire or other hazards covered by such fire and extended coverage insurance.

ARTICLE 10. ASSIGNMENT AND SUBLETTING

10.01 Landlord's Consent Required. Tenant shall not assign, mortgage, or hypothecate this Lease in whole or in part, not sublet all or any part of the Premises, without the prior written consent of Landlord in each instance. Notwithstanding the foregoing sentence, Tenant may assign its option to purchase the premises to an affiliate of Tenant (as used in this paragraph, "affiliate of Tenant" shall mean a corporation, limited liability company, or other entity in which any member or owner of Tenant holds more than fifty percent (50%) of the outstanding voting capital stock, or other means of control). This prohibition against assigning or subletting shall be construed to include a prohibition against any assignment or subletting by operation of law.

10.02 <u>Condition to Consent.</u> As a condition to its consent, Landlord may require Tenant to pay all expenses in connection with the assignment, and Landlord may require Tenant's assignee to assume in writing the obligations of Tenant under his Lease.

ARTICLE 11. DEFAULT AND REMEDIES

- **11.01** <u>Termination for Tenant's Insolvency or Dissolution</u>. This Lease shall be deemed repudiated and breached by Tenant if, during the term of this Lease:
 - 1. A petition to have Tenant adjudicated a bankrupt or a petition for reorganization or arrangement under any of the laws of the United States relating to bankruptcy be filed by Tenant, or be filed against Tenant, and if so filed against Tenant not be dismissed within thirty (30) days from the date of such filing;
 - 2. The assets of Tenant or the business conducted by Tenant on the Premises be assumed by any trustee or other person pursuant to any judicial proceedings;
 - 3. Tenant becomes insolvent or makes an assignment for the benefit of creditors;
 - 4. Tenant commits any act of bankruptcy, or;
 - 5. Any corporate Tenant or assignee or successor in interest of Tenant commences proceedings for winding up.
- 11.02 Landlord's Right of Termination, Reentry, Damages. Tenant expressly agrees that Landlord may, at its election, terminate this Lease in the event of the occurrence of any of the contingencies hereinabove described by giving no less than three (3) days written notice to Tenant and, when so terminated, Landlord may reenter the Premises, and the leasehold interest created by this Lease shall not be treated as an asset of Tenant's estate. It is further expressly understood and agreed that Landlord shall be entitled upon such reentry, notwithstanding any other provisions of this Lease, to exercise such rights and remedies and to recover from Tenant as damages for loss of the bargain resulting from such breach, and not as a penalty, such amounts as are specified in Section 11.03.
- **11.03 Default.** Landlord may, at its option and without limiting Landlord in the exercise of any other right or remedy he may have on account of a default or breach by Tenant, exercise the rights and remedies specified in Section 11.03 if:

- A. Rent Default. Tenant defaults in the payment of any money agreed to be paid by Tenant to Landlord for rent or to be paid for taxes and utilities or for any other purpose under this Lease, and if such default continues for **three** (3) days after written notice to Tenant by Landlord.
- B. <u>Abandonment</u>. Tenant abandons the Premises for a period of thirty (30) days.
- C. Other Default. Tenant defaults in the performance of any other of its agreements, conditions, or covenants under this Lease and such default continues for thirty (30) days, plus such period of delay as Tenant may encounter in the performance of its agreements by reason of matters beyond the control of Tenant.
- **11.04 Remedies.** On any breach, default or abandonment, Landlord may exercise any of the following rights after the periods of time stated in Section 11.02.
- A. <u>Continuation of Lease After Breach</u>. Even though Tenant has breached this Lease and abandoned the property, this Lease continues in effect for so long as Landlord does not terminate Tenant's right to possession; and Landlord may enforce all his rights and remedies under this Lease, including the right to recover the rent as it becomes due under this Lease. For the purposes of this Section, the following do not constitute a termination of Tenant's right to possession:
 - 1. Acts of maintenance or preservation or efforts to re-let the property.
- 2. The appointment of a receiver on initiative of Landlord to protect his interest in this Lease. Tenant may, at its option, transfer its interest hereunder in the following manner so long as Landlord has not terminated Tenant's right to possession; sublet the property, assign its interest in the Lease, or both, with the consent of Landlord, which consent shall not be withheld unreasonably.
- B. <u>Termination of Lease</u>. Landlord may terminate this Lease, and recover from Tenant all damages permitted by Civil Code Section 1951.2 including the worth at the time of

award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for the same period that the Tenant proves could be reasonably avoid, and in the event of such a termination said Section 1951.2 shall govern with respect to the rights, duties and liabilities of Landlord and Tenant.

11.05 No Waiver of Default. Landlord's failure to take advantage of any default or breach of covenant on the part of Tenant shall not be, or be construed as a waiver thereof, nor shall not be, or be construed as a waiver thereof, nor shall any custom or practice which may grow up between the parties in the course of administering this instrument be construed to waive or to lessen the right of Landlord to insist upon the performance by Tenant of any term, covenant or condition hereof, or to exercise rights given him on account of any such default.

11.06 <u>Landlord's Right to Cure Default</u>. If the Tenant shall be in default in the performance of any covenant on its part to be performed under this Lease, then after notice and without waiving or releasing Tenant from the performance thereof, Landlord may, but shall not be obligated so to do, perform any such covenant, and, in exercising any such right, pay necessary and incidental costs and expenses in connection therewith. All sums so paid by Landlord, together with interest thereon at the rate of ten percent (10%) per annum, shall be deemed additional rent and shall be payable to Landlord on the next rent paying day.

ARTICLE 12. LANDLORD'S GENERAL PROTECTIVE PROVISIONS

12.01 Surrender at End of Term. Tenant shall peaceably give up and surrender to Landlord the Premises and every part thereof to Landlord at the termination of the term of this Lease in as good a condition and repair as reasonable use and wear thereof will permit.

12.02 <u>Landlord's Right to Inspect</u>. Landlord shall be entitled, at all reasonable times, to go on the Premises for the purpose of inspecting the performance by Tenant of the terms and conditions of this Lease, or for the purpose of posting and keeping posted thereon notices of non-responsibility for any construction, alteration, or repair thereof, as required or permitted by any

law or ordinance.

12.03 Landlord's Right of Entry. Landlord reserves, and shall at any and all times, except in the event of an emergency, provide Tenant two hours notice of Landlord's intent to enter the Premises and Tenant shall have the opportunity to have a representative of the Tenant accompany Landlord for the purpose of inspecting the premises, to submit said premises to prospective purchasers or tenants, to post notices of non-responsibility, to repair the Premises and any portion of the Building of which the Premises are a part that Landlord may deem necessary or desirable, without abatement of rent, and may for that purpose erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed, always providing that the entrance to the Premises shall not be unreasonably blocked thereby, and further providing that the business of the Tenant shall not be interfered with unreasonably. Landlord agrees at all times to comply with applicable HIPAA and state medical privacy regulations.

Tenant hereby waives any claim for damages for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises, and any other loss occasioned thereby. For each of the aforesaid purposes, Landlord shall at all times have and retain a key with which to unlock all of the doors in, upon and about the Premises, excluding Tenant's vaults, safes and files, and Landlord shall have the right to use any and all means which Landlord may deem proper to open said doors in an emergency, in order to obtain entry to the Premises without liability to Tenant except for any failure to exercise due care for Tenant's property and any entry to the Premises obtained by Landlord by any of said means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Tenant from the Premises or any portion thereof.

ARTICLE 13. GENERAL PROVISIONS

13.01 Conditions and Covenants. All of the provisions of this Lease shall be construed

to be "conditions" as well as "covenants" as though the words specifically expressing or imparting covenants and conditions were used in each separate provision.

- 13.02 No Waiver of Breach. No failure by either Landlord or Tenant to insist upon the strict performance by the other of any covenant, agreement, term or condition of this Lease or to exercise any right or remedy consequent upon a breach thereof, shall constitute a waiver of any such breach or of such covenant, agreement, term, or condition. No waiver of any breach shall affect or alter this Lease, but each and every covenant, condition, agreement, and term of this Lease shall continue in full force and effect with respect to any other then existing or subsequent breach.
 - 13.03 <u>Time of Essence</u>. Time is of the essence of this Lease, and of each provision.
- 13.04 <u>Unavoidable Delay—Force Majeure</u>. If either party shall be delayed or prevented from the performance of any act required by the Lease by reason of acts of God, strikes, lockouts, labor troubles, inability to procure materials, restrictive governmental laws, or regulations or other cause, without fault and beyond the reasonable control of the party obligation (financial inability excepted), performance of such act shall be excused for the period of the delay; and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay, provided, however, nothing in this section shall excuse Tenant from the prompt payment of any rental or other charge required of Tenant except as may be expressly provided elsewhere in this Lease.
- 13.05 <u>Successors in Interest</u>. Each and all of the covenants, conditions, and restrictions in this Lease shall incur to the benefit of and shall be binding upon the heirs, assignees, and successors in interest of Landlord, and subject to the restrictions of Article 12, the authorized assignees, transfers, subtenants, licensees, and other successors in interest of Tenant.
- **13.06** Entire Agreement. This Lease contains the entire Agreement of the parties with respect to the matters covered by this Lease, and no other agreements, statements, or promise

made by any party, which is not contained in this Lease shall be binding or valid.

Landlord and Tenant have executed this Lease as of the day and year written above in Article 3, Section 3.02.
