Social Media Takeaways:

- While Facebook audience didn't grow in March we went deeper as seen by the increase in engagement. This may be due to sharing out more events to Facebook Groups.
- Instagram gained 5 followers in the month of March, a good jump from the previous month.
- Website views being down are not a surprise with the decreased need for COVID information. As the Wellness Center programming grows, we should see an increase in page views as people register for events through the website.
- Diabetes boosted post and organic boost both did very well with the highest reach.

 is to bring updates from those meetings to Facilities. Then we'll bring any input
 from there to the full board.
