To inspire and enable all young people, especially those who need us most, to reach their full potential as productive, caring, and responsible citizens.

#### **Organization History & Accomplishments**

Boys & Girls Clubs of North County was established in the Fallbrook community in 1962. In our 60 year history we have grown from a single site to now serving over 2,000 youth in Fallbrook, Bonsall, Rainbow and Deluz. Boys & Girls Clubs of North County is a member organization of Boys & Girls Clubs of America, a federation, which provides technical assistance, training, program development and other resources, along with standards for member organizations. Boys & Girls Clubs of North County began as the Boys Club of Fallbrook, and later changed its name to better reflect the population and communities we serve. Programs were operated out of our clubhouse on Ivy Street until expansion began in 2005. Four new sites were added on school grounds in collaboration with Fallbrook Union Elementary School District. In 2015 we opened a site at Mae Ellis Elementary and added another at La Paloma Elementary in 2017. In 2019 a site was established at Turnagain apartments, in collaboration with Community Housing Works and Better World Foundation. In 2020 two sites were established at Camp Pendleton schools, May Fae Pendleton, and San Onofre. In 2022 we expanded our partnership with FUESD by significantly increasing the numbers of youth we could serve at each site and adding a wider variety of program offerings, including specialized programs with outside vendors. Boys & Girls Clubs of North County has been recognized by BGCA with numerous awards of youth attendance, marketing and board strength. In addition, we have offered a community-based sports program for many years. Our current sports include basketball and indoor soccer. These recreational based sports are available for youth in our community, as well as surrounding areas.

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Audit Committee of Boys and Girls Clubs of North County

#### **Opinion**

We have audited the accompanying financial statements of Boys and Girls Clubs of North County (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys and Girls Clubs of North County as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boys and Girls Clubs of North County and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boys and Girls Clubs of North County's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boys and Girls Clubs of North County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boys and Girls Clubs of North County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### NOTES TO FINANCIAL STATEMENTS For the Year Ended June 30, 2022

#### Note 1. <u>Nature of Organization</u>

Boys and Girls Clubs of North County is a California non-profit agency established in 1962. Our mission is to provide a safe, caring environment in which youth can develop self-esteem, leadership skills, and enjoy educational and recreational activities under supervised programs. Boys and Girls Clubs of North County's main facility is located in Fallbrook, California.

#### Note 2. <u>Summary of Significant Accounting Policies</u>

#### **Basis of Presentation**

Boys and Girls Clubs of North County's financial statements have been prepared on the accrual basis of accounting.

#### Cash and Cash Equivalents

Boys and Girls Clubs of North County has defined cash and cash equivalents as cash in banks and highly liquid investments with an original maturity of three months or less.

#### **Receivables and Credit Policies**

Accounts receivable consist primarily of noninterest-bearing amounts due for program services. Boys and Girls Clubs of North County determines the allowance for uncollectable accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectable. Management determined that no allowance for doubtful accounts was necessary as all items were received subsequent to year end.

#### **Property and Equipment**

Property and equipment additions are recorded over \$2,500 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 40 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

Carrying values of property and equipment are reviewed for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended June 30, 2022.

#### NOTES TO FINANCIAL STATEMENTS

For the Year Ended June 30, 2022

#### Note 2. <u>Summary of Significant Accounting Policies (continued)</u>

#### **Net Assets**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service.

Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

#### Revenue and Revenue Recognition

#### Revenue and Revenue Recognition (Financial Assets)

Accountings Standards Update ASU 2014-09

Revenue form Exchange Transactions: The Organization recognizes revenue in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Updated (ASU) 2014-09, Revenue from Contracts with Customers, as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar agreements and establishes a performance obligation approach to revenue recognition. The Organization adopted this policy for the year ending June 30, 2021, and records the following exchange transaction revenue in the statement of activities for the year ending June 30, 2022:

Youth program and league fees are recognized during the period in which the related performance obligation is met. The performance obligation of providing youth programs and leagues is simultaneously received and consumed by the customer unless the customer pays for program and leagues in a future period.

Special events revenue is net of the cost of direct benefits to donors, contribution revenue for the difference. The direct cost of special events, which ultimately benefit the donor rather than the Organization. The performance obligation is delivery of the event.

#### NOTES TO FINANCIAL STATEMENTS For the Year Ended June 30, 2022

#### Note 2. Summary of Significant Accounting Policies (continued)

#### Accounting Standards Update ASU 2018-08

In June 2018, FASB issued ASU No. 2018-08, Clarifying the Scope and Accounting Guidance for Contributions received and Contributions Made (ASC Topic 958). This standard applies to all entities that receive or make contributions and was issued to clarify and improve the scope and the accounting guidance for contributions received and contributions made. The amendments in the standard should assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of ASC Topic 958, Not for Profit Entities, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. This standard was effective for June 30, 2020. The adoption of this standard did not result in any cumulative change to the Organization's financial statements.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Federal and state contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses.

#### **Donated Services and In-Kind Contributions (Non-financial Assets)**

Volunteers contribute significant amounts of time to our program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods and services are recorded at fair value at the date of donation. There were no significant contributions of such goods or services were received during the years ended June 30, 2022. Management will adopt a monetization policy, if and, when it receives donated goods or services.

#### **Advertising Costs**

Advertising costs are expensed as incurred.

#### Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### **Income Taxes**

Boys and Girls Clubs of North County is organized as a California nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes in IRC Section 501(c)(3). Boys and Girls Clubs of North County did not have any unrelated business income tax during the year.

NOTES TO FINANCIAL STATEMENTS For the Year Ended June 30, 2022

#### Note 2. <u>Summary of Significant Accounting Policies (continued)</u>

Boys and Girls Clubs of North County has reviewed its position for all open tax years and believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

Boys and Girls Clubs of North County's federal and state Exempt Organization Tax Returns are subject to examination, generally for three years after they were filed for federal returns and four years for state returns.

#### **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

#### Financial Instruments and Credit Risk

Boys and Girls Clubs of North County manages deposit concentration risk by placing cash with financial institutions. At times, amounts on deposit may exceed insured limits. To date, Boys and Girls Clubs of North County has not experienced losses in any of these accounts. Credit risk associated with accounts receivable is considered to be limited due to high historical collection rates.

#### Note 3. <u>Liquidity and Availability</u>

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and cash equivalents	\$1,224,530
Accounts receivable	227,213
Less: Donor restrictions	(7,360)
	<u>\$1,448,383</u>

#### **General Information**

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for conformity. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

#### A Purpose

Use form FTB 3885F, Depreciation and Amortization, to compute depreciation and amortization allowed as a deduction on Form 541, California Fiduciary Income Tax Return, Form 109, California Exempt Organization Business Income Tax Return, or Form 199, California Exempt Organization Annual Information Return. Attach form FTB 3885F to Form 541, Form 109, or Form 199.

Depreciation is the annual deduction allowed to recover the cost or other basis of business or income producing property with a determinable useful life of more than one year. Land is not depreciable.

Amortization is an amount deducted to recover the cost of certain capital expenses over a fixed period.

#### **B** Federal/State Differences

California law has not always conformed to federal law regarding depreciation methods, special credits, or accelerated write-offs.

Consequently, the recovery periods and the basis on which the depreciation is calculated may be different from the amounts used for federal purposes. Reportable differences may occur if all or part of your assets were placed in service:

- Before January 1, 1987. California disallowed depreciation under the federal Accelerated Cost Recovery System (ACRS). California depreciation is calculated in the same manner as in prior years for those
- On or after January 1, 1987. California provides special credits and accelerated write-offs that affect the California basis for qualifying assets. California does not conform to all the changes to federal law enacted in 1993. Therefore, the California basis or recovery periods may be different for some assets.
- On or after September 11, 2001. California has not conformed to the federal Job Creation and Worker Assistance Act of 2002 which allows taxpayers to take an additional first year depreciation deduction and Alternative Minimum Tax depreciation adjustment for property placed in service after September 10, 2001.
